CAS is a central authentication service for UGent students and members of staff. Via CAS you can log in on different UGent webpages using your central password.

3. Click on "UCT-student".

The screenshot shows the OASIS web application interface. At the top, there is a yellow navigation bar with the UGent logo on the left, the 'OASIS' logo in the center, and a search bar on the right. Below the yellow bar is a grey bar with the 'UCT student' button highlighted. A blue arrow points to this button. The main content area is divided into a sidebar on the left and a main content area on the right. The sidebar contains a 'Links' section with a list of links, a 'General information' section with a list of links, and a 'My Oasis' section with a list of links. The main content area has a 'Home page' heading and a welcome message. Below the welcome message, there is a paragraph explaining the 'function' that the user performs at UGent and how the content of the website differs according to the function selected. There is also a paragraph explaining the 'Help' button in the yellow menu bar and the 'Help' button on the different website pages.

4. Go to "My courses" in the academic year in which you have followed the course.
