# Europe's Global Role

External Policies of the European Union

Edited by **Jan Orbie**, Ghent University, Belgium

'...makes a fine contribution to the literature on the EU's global role. It focuses squarely on first principles: the EU's core policy areas,...' – Desmond Dinan, George Mason University, USA

'...a carefully crafted policy study concentrating on the probably most under-estimated and under-researched dimension of European foreign policy. Well-conceived and highly informative, ... an excellent and comprehensive survey of "civilian" policies such as development, trade, energy and enlargement policies.' – Knud Erik Jørgensen, University of Aarhus, Denmark

'...this book provides the most up-to-date and detailed documentation in print at present of EU foreign policy from a "soft power" perspective.' – International Affairs

Based on an innovative framework for analyzing the EU's external politics, this book provides a historical overview of and theoretical conclusions about the EU's global role. It examines Europe's international role in a range of external policy domains, focusing in particular on the 'soft' dimension of Europe's international action.

**Contents:** Preface; A civilian power in the world? Instruments and objectives in European Union external policies, *Jan Orbie*; The European Union's role in world trade: harnessing globalisation?, *Jan Orbie*; The European Union's international development policy: leading and benevolent?, *Jan Orbie and Helen Versluys*; European Union humanitarian aid: lifesaver or political tool?, *Helen Versluys*; The external dimension of EU asylum and migration policy: expanding Fortress Europe?, *Steven Sterckx*; Legal power and normative sources in the field of social policy: normative power

Europe at work?, *Tonia Novitz*; Green civilian power Europe?, *Edith Vanden Brande*; The external dimension of EU competition policy: exporting Europe's core business?, *Angela Wigger*; EU external energy policies: a paradox of integration, *Andrei V. Belyi*; 'Everybody needs good neighbours': the EU and its neighbourhood, *Viktoriya Khasson, Syuzanna Vasilyan and Hendrik Vos*; Civilian power Europe and Eastern enlargement: the more the merrier?, *Eline De Ridder, An Schrijvers and Hendrik Vos*; Index.
